TO WHOMSOEVER IT MAY CONCERN

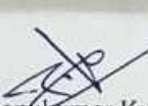

This is to certify that **Mr. Vinod Chouhan**, has successfully completed 126-hours (3rd June to 29th June, 2024) of Counselling/Research internship training at Neuropsychology Unit and Psychiatry Unit, Bangalore Neuro Centre, Bengaluru.

During the period of his internship training program, he collected case history and conducted MSE. He also conducted neuropsychological assessment (NIMHANS battery- adult and child version), TAT (Child and Adult Version), Vanderbilt ADHD Diagnostic Parent Rating Scale, ADD, ASD, Addenbrooke's Cognitive Examination, Child Behaviour Checklist for Ages 6-18, Specific Learning Disability (SLD), Child Autism Rating Scale (CARS), Sentence Completion Test (SCT), supervised counselling and therapy for children and adults, behaviour therapy, relaxation therapy (JPMR), cognitive training activities for children, cognitive re-training and brain exercises for children & adults, and observed other therapy sessions along with transactional analysis. He was also involved in report writing of the assessments conducted. He was sincere, hardworking and motivated to learn new things.

Mr. Vinod is a kind, compassionate, intelligent, and strong person who has a clear sense of direction and purpose. His interest, initiative and contributions to counselling session show insight and knowledge with respect to working with psychiatric population, children with specific learning disabilities and behavioural problems. He truly has exceptional interpersonal skills and was able to establish rapport with patients.

I found Mr. Vinod to be a very hard working, conscientious individual. He is also warm, engaging individual who teaches others by example, is inclusive, and consistently exhibits curiosity. He took very good care of patients who were assigned to him. He was able to work independently and was able to meet deadlines when necessary.
